25 Hope St.
Middleton, New Zealand

Dearest Queen Elizabeth II,

You are our precious sovereign and all of New Zealand is waiting eagerly for your visit. I know how busy you will be, but if you could possibly find the time to come to our little town of Middleton, you'd be delighted I'm sure. People here are so warm and friendly, and we make very good cheese.
I love and admire you very much and would especially like to meet you.

Your Humble and Obedient Servant,

Miss Elizabeth Wakefield

PS: You're lucky you don't have an older brother. Mine can be a real ~~twerp~~ ~~twit~~ clot.
